

### Section 3 - External Auditor Report and Certificate 2023/24

In respect of **Warwick Town Council**

#### 1 Respective responsibilities of the auditor and the authority

Our responsibility as auditors to complete a **limited assurance review** is set out by the National Audit Office (NAO). A limited assurance review is **not a full statutory audit**, it does not constitute an audit carried out in accordance with International Standards on Auditing (UK & Ireland) and hence it **does not** provide the same level of assurance that such an audit would. The UK Government has determined that a lower level of assurance than that provided by a full statutory audit is appropriate for those local public bodies with the lowest levels of spending.

Under a limited assurance review, the auditor is responsible for reviewing Sections 1 and 2 of the Annual Governance and Accountability Return in accordance with NAO Auditor Guidance Note 02 (AGN 02) as issued by the NAO on behalf of the Comptroller and Auditor General. AGN 02 is available from the NAO website – <https://www.nao.org.uk/code-audit-practice/guidance-and-information-for-auditors/>.

This authority is responsible for ensuring that its financial management is adequate and effective and that it has a sound system of internal control. The authority prepares an Annual Governance and Accountability Return in accordance with *Proper Practices* which:

- summarises the accounting records for the year ended 31 March 2024; and
- confirms and provides assurance on those matters that are relevant to our duties and responsibilities as external auditors

#### 2 External auditor limited assurance opinion 2023/24

Except for the matters reported below on the basis of our review of Sections 1 and 2 of the Annual Governance and Accountability Return, in our opinion the information in Sections 1 and 2 of the Annual Governance and Accountability Return is in accordance with the Proper Practices and no other matters have come to our attention giving cause for concern that relevant legislation and regulatory requirements have not been met.

Section 16(1) of the Audit and Accounts Regulations 2015 requires the Notice of Conclusion of Audit to be published on the authority's website. In future, the Council should ensure that this notice is available on their website alongside the signed external audit report and the audited AGAR.

Other matters not affecting our opinion which we draw to the attention of the authority:

There is no evidence to suggest that the external audit report was considered and discussed by the Council. In future, all points raised on the external audit report should be considered, discussed and if necessary actioned at a meeting and clearly evidenced in the minutes of this meeting in line with best practice as suggested by Paragraph 5.98 of JPAG Practitioners' Guide 2023.

#### 3 External auditor certificate 2023/24
